Potable Water Service Request Form

I am requesting the Long Beach Water Department the following:

- Install potable water service connection(s), set meter(s) and meter box(es), and begin billing.
- Fireline service connection(s) to be installed by private contractor. LBWD to provide plan check, inspection, etc.; and begin billing.
- A cost estimate for each service to be installed by contractor is attached.
- Set meter(s) only.
- Comments: _____

NOTE:

1. Backflow prevention device may be required depending on the existing or potential degree of hazard which exists on the facility. Please refer to LBWD Rules and Regulations, pages 27-28 for more information.

2. Refer to Water Metering Requirements handout from LBWD.

Size	Billing Type / Usage*	Address	Work Order No. (LBWD Use Only)	No. of Units (Residential Only)

*Billing Type / Usage: Commercial / Commercial (C/C); Commercial / Residential (C/R), Residential (RES), Irrigation (IRR), Fireline (FL).
